Eire Hide®

COPPER HAWK
ADVANCING ANIMAL HEALTH NATURALLY

**A Soothing
Ointment Made
From Natural
Ingredients**

Eire Hide®

is manufactured in Ireland

Copper Hawk is an Irish company dedicated to improving animal health through the development of products made from natural sources.

Eire Hide®, one such product, is a formulated, soothing ointment that is applied to animal skin. Eire Hide® is non-stinging and incorporates a natural scent enabling treatment compliance.

INSTRUCTIONS FOR USE

Eire Hide can be used on feline, canine and equine animals

A soothing ointment for application to animal (feline, canine and equine) skin. Apply to the affected area a minimum of once daily. Consult with your veterinary surgeon for the most appropriate application regime.

Eire Hide® incorporates the following botanical extracts:

- (i) Yarrow (*Achillea Millefolium*)
- (ii) Figwort (*Scrophularia Nodosa*)
- (iii) Common Plantain (*Plantago Major*)
- (iv) Pau D'Arco (*Tabebuia Impetiginosa*), and
- (v) Gotu Kola (*Centella Asiatica*).

Properties include anti-inflammatory^{5,6}, anti-oxidant¹ and anti-bacterial⁴ behaviour to accompany accelerated wound healing.^{1,2,3,6}

Clinic Stamp
